Dear Friends and Family,

As I prepared for Bible Study this week, the words of Psalm 90:17 kept repeating in my head: "Let the kindness of the Lord our God be over us. Make the work of our hands last. Make the work of our hands last!"(NRSV) We have worked very hard to complete the new building and to clean up the 1968 education unit. So many prayers were answered and so many hands made the work lighter.

We have a beautiful facility and a home for the activities and missions of the past. We also have room for new plans and directions in mission. I believe that God has given each of us gifts and talents,

which are meant to be used for and with the community of faith. If you have an idea for ministry, please see me or Pastor Rick and we'll see what we can do. I am sure the UMM, UMW, Wednesday night dinners, Scouts and other ministries could also use your help, if that is where your gifts take you. God will "make the work of our hands last", if our hands keep working.

In Christ's Love, Karlyn McPike, Lay Leader
